North Northfield Pandemic Safety Measures

North Northfield has resumed in-person worship services (effective Easter Sunday, April 4, 2021).

We are following these safety procedures in the church building:

- There is a mechanical air filtration system in the sanctuary to reduce risk from airborne contaminants.
- **Everyone in attendance needs to wear a mask.** Please bring your own mask.
- **Please maintain “social distancing”** of 6 feet at all times.
 - Certain pews in the sanctuary are closed or partially closed to maintain social distancing.
 - Open pews are labeled with yellow signs; look for open seats along the side aisles as well as the center aisle. (*More seating is available than might appear at first glance; thank you for your flexibility.*)
 - People in the same household may sit together. (If you are attending with more than 2 people in your household and are having trouble finding seating together, please ask an usher for assistance.)
 - Chairs in west wing and balcony are spaced for social distancing. Please do not move chairs.
 - The balcony can accommodate up to 3 households (6 people maximum) plus a sound technician.
 - The first 3 pews are reserved for Tech Team and related equipment; avoid front area of sanctuary — if you need to walk there, please watch your step around the equipment and cables.
 - Sanctuary seating capacity is about 40 people with these social distancing restrictions.
- **Please stay home if you are experiencing [symptoms](#).**
- Hand sanitizer is available in the narthex.

During the service:

- We will not have any in-person singing.
- A collection plate will be available by door instead of being passed (thank you for your financial support!)
- We observe communion on the first Sunday of the month using “prefilled” communion cups which are individually sealed with the elements by the manufacturer.
- Services are also available on Webex; for information on how to attend, please visit the “blog” section of NorthNorthfield.org
- An online coffee hour social time will follow the service on Webex at 11:45 a.m. (information is at NorthNorthfield.org)
